

Following your interest in our **Nail Tech Courses**, here is the relative information to become familiarised with our Intensive Training Courses leading to the **VTCT Nail Techs International Certificates**, a **definite requisite if you would like to work in the professional world**.

If you are **ambitious, passionate and artistic**, then a career in Nail Technology may just be the perfect choice for you! With our courses, many have discovered their earning possibility as a nail technician, and the excitement of a rewarding career. **Flexible working hours**, income increase and the satisfaction of helping others are just a few of the benefits that make a career in nail technology an ideal business choice.

FREE COMPLETE KIT with COURSE

Products used:- On your first lesson, we will give you your very own **FREE OPI KIT** to work with. OPI, a distinguished pioneer in the Nail Extensions Market, is proud to be the originator of **"safe-acrylic & gel"** nails and its laboratory endeavours each year to create the best, reliable and profitable, products for the modern and demanding nail technician. In fact, the **OPI Competition 3000 Formula** is definitely the strongest system in the market which includes the industry's whitest white and many coloured acrylics. Ideal for heavy-handed clients and busy nail techs, **OPI Competition 3000 Formula** is definitely the acrylic chosen by professional NailTechs to perform safe, quick and durable nail enhancements. **This OPI Acrylic has won many Nail Competitions worldwide**. The **OPI Axxium Gels** also have a **durable, long-lasting** and naturally elegant look. Originating from Hollywood, the heart of movie making, OPI has won **many Nail Product Awards**, the **"ABBIES" Awards** and the overall **Golden Award** for their excellent patented products, durability and their attractive presentations. Considering their extensive research and guaranteed, genuine, safe ingredients, and contrary to the envy of competitor's hearsay, OPI products are **very reasonably priced**.

Our Nail Tech Programs:- With our courses, it is **very easy** to become a Professional Nail Technician! Your first step starts with the **OPI Acrylic or Gel Beginners Program**. The OPI Courses are divided into two parts; four intensive group sessions within a class environment and individual practical sessions in a salon environment. You will learn to apply **Overlays, Tips & Overlays and Infills**. You will then continue with your second part of the course with **unlimited FREE private practice at our College** to achieve perfection in your techniques. This may be done **at your own preferred time**. When you are ready for the challenge, a practical assessment will be done. The **OPI Certificate** is awarded on the successful completion of this program.

If you would like to learn both **Acrylic and Gels**, and benefit from our **Special 2 FREE OPI KITS OFFER**, you can attend the **OPI Dual Systems NailTech Program**. This consists of the **Acrylic/Gel Beginner Program** and then you would continue with the **Gel/Acrylic Adaptation Program** which consists of two further Adaptation classes and as many **FREE** extra practical sessions as required, thus obtaining **another OPI Certificate!** Remember, you may attend any amount of **improvement practical sessions** during or after the course **at no extra cost**.

International Qualifications that may be acquired:- At Peach & Sorrel Beauty Academy we are committed to give you **life-long support** when you start a program with us. If you are determined, we can help you reach the coveted **VTCT International Diploma** as requested by **EU Standards**. It is extremely important to consider these **genuine qualifications**. Our Academy offers the world acknowledged **VTCT Diploma Qualifications**. Once you have achieved your **International VTCT Diploma**, you would then be entitled to use **"HDipCT (VTCT)" credentials after your name**. Many of our students have found a **prestigious job** in the career they embraced. Some have even **opened up their own salons!** **This is why our avant-garde programs are so much in demand!**

You could then also become a Member of the **Malta Association of Beauty Therapists (MABT)**, a local **state-recognised** Beauty Association and a Founding Member of the **Confederation Europeenne Professionnelle des Esthettiennes Cosmeticiennes (CEPEC)** based in Brussels.

Your success begins with an excellent education and guaranteed products. Our **Training Programs** will take your skills beyond 'basic' to put you on the pathway to profits!

We would therefore like you to view the attached InfoPack which indicates the starting date of our next courses. May we remind you that our classes are restricted to a **very limited number of trainees** to ensure **individual attention**, so book early to avoid disappointments.
