

'Pink & White Perfection' TwoToned Acrylic Advanced Program

Following your interest in our **Pink & White Perfection' TwoToned Acrylic Advanced NailTech Courses**, here are the relative information to become familiarised with our intensive training program leading to **VTCT NailTechs International Certificates**, a **definite requisite if you would like to really join the professional world**.

Become skilled at the alternative approach in Nail Technology or update yourself in the system and techniques that you have been using and join an Improvement Workshop.

Products used:- During our programs you will work with the world renowned **OPI Professional NailTech Systems**. **OPI**, a distinguished pioneer in the Nail Extensions Market, is proud to be the originator of **"acid-free, safe acrylic & gel"** nail products. Its laboratory endeavours each year to create the best, reliable and profitable, products for the **modern, demanding** nail technician. In fact, the **OPI Clarité Odourless Acrylic System** is the strongest, yet **odour-free acrylic**. **OPI's Absolute Acrylic** includes the industry's whitest white and many coloured acrylics ideal for heavy-handed clients and busy nail techs. **These OPI Acrylics have won many Nail Competitions worldwide**. Originating from Hollywood, the heart of movie making, **OPI** has won **many Nail Product Awards**, the **"ABBIES" Awards** and the overall **Golden Award** for their excellent patented products, durability and their attractive presentations. Considering their extensive research and guaranteed, genuine, safe ingredients, and contrary to the envy of competitor's hearsay, **OPI products are very reasonably priced**. They are perfect to be used in all environments; from Russian cold temperatures to the warmest Tropical places, **making them perfect for our climate**.

Our P&W Program:- During the **Pink & White TwoToned Acrylic** courses, it is very easy to advance as a Professional Nail Technician! Our **OPI Programs** are held **all through the year**. It is our pleasure to inform you that the local team of Educators will be holding this **OPI Nail Extension Advanced Courses** in the forthcoming months. These are intensive lessons including practical and two extra practical sessions. You will learn how to apply **TwoTone, perfect French, Pink & White Acrylics**. A **certificate** is awarded on the successful completion of this program! You can attend any amount of **improvement lessons** during or after the course **at no extra cost**. Should you prefer to reach the peak and obtain the EU Certification, with an additional training program, our team can help you **achieve the International VTCT foreign Diploma**.

International Qualifications that may be acquired:- The **OPI** team commit themselves to give you **life-long support** when you start our Nail Enhancement Program. If you are determined, we can help you climb the ladder of your career to reach the coveted **VTCT International Diploma as requested by the European Union**. **Based in the UK**, **VTCT** is the **largest specialised Awarding Body** in the field of Beauty Therapy worldwide. Your qualification from **VTCT** will be **recognised worldwide** helping you to practice wherever you are located. It aims to promote and protect the professional beauty industry and is in the forefront to set **Professional Educational Standards** for the Beauty World. **Peach & Sorrel Beauty College** is renowned for the **100% pass of all its students** in all the various categories endeavoured and for the superiority of the qualifications they obtain. **This is why our avant-garde programs are so much in demand!** With our programs, you can even become a Member of the **Malta Association of Beauty Therapists (MABT)**, a **state-recognised** Beauty Association and a Founding Member of the Confederation Europeenne Professionnelle des Estheticiennes Cosmeticiennes (**CEPEC**) based in Brussels.

Your success is based on an excellent education and guaranteed products. Our **Training Programs** will take your skills beyond 'basic' to put you on the pathway to even more profits!

We would therefore like you to view the attached InfoPack which indicates the starting date of our next programs. We would also like to remind you that our classes are restricted to a **very limited number of trainees** to ensure **individual attention**, so book early to avoid disappointments.

If you require further details, please do not hesitate to contact us.

As you know the new Government's National Minimum Curriculum (NMC) is the breaking of a new dawn in the field of Maltese Education in all its levels and fields. Its framework establishes parameters within which all training needs to meet its particular curricular needs and Peach & Sorrel College for Nails & Beauty is proud to have formed part of these discussions and setting up of this framework.

In the Nails and Beauty field the NMC is meant to upgrade and establish new guideline parameters, therefore raising standards of Therapists and Technicians performing on clients by assessing Accreditation, Licensing and Quality Assurance of their education. All this will come to affect in the very near future!

For Beauty Therapist or Nail Technicians this would mean that only professionals who would have passed an Accredited Program would be licensed to work. For our clients it would mean a guarantee that the Therapist or Nail Technician performing their treatments is truly highly qualified.

As you are aware, Peach & Sorrel College for Nails & Beauty is an Accredited Centre for VTCT, the largest specialised Awarding Body in the field of Beauty Therapy worldwide which is based in the UK. We are committed to help you reach these new standards and obtain your international diplomas now! We are thinking ahead of others in our field to prepare Nail Technicians and Beauty Therapists for the challenges that are coming our way in the very near future!

Peach & Sorrel Beauty College is also renowned for the **100% pass of all its students** in all the various categories they endeavoured and for the superiority of the qualifications they obtain. This is why our programs are so much in demand.

The following are just a few of the interesting Accredited VTCT Courses that Peach & Sorrel College will be performing in the forthcoming months:

- Beauty Therapy Courses
- Manicure & Pedicure
- Fashion & Photographic Makeup
- Massage
- Advanced Nail Technology
- Nail Art Techniques
- Aromatherapy

If you book an OPI Program **in the next few weeks**, Peach & Sorrel College for Nails & Beauty is offering you :-

- ✓ **A specially reduced price on the Course Tuition Fee!**
- ✓ **A specially reduced price on the OPI Kit!**

So what are you waiting for! Contact us **now** and join our internationally recognised Accredited Programs and be prepared for the change and to work anywhere in the world!

Best regards,
